BARKING BRUSCHETTA

Italian bread, cubed
Tomatoes, chopped
Mozzarella, cubed (or any white cheese)

Mix first two ingredients together.
Mix tomatoes and bread together. Put a piece of cheese at the small end of the Kong; then 1/4" layer of peanut butter; then 1/4" layer of dog food mixture; then a layer of tomato mixture. Continue layering until Kong is full.
Freeze and serve.

Canned dog food
1 cup dry dog food
Peanut Butter

THE KONG STUFFER'S COOKBOOK

by RAISING CANINE

GRWWWWWLIN' GOOBERS

One can dog food
1 cup dry dog food
1 hot dog
1 string cheese
Peanut butter
10 peanuts, halved
Cream Cheese

Cut hot dog and string cheese into quarters lengthwise, then chop into 1/8" pieces.
Mix first four ingredients together. Put one peanut at small end of Kong; then 1/4" layer of peanut butter, a 1/4" layer of dog food mixture, and a 1/4" layer of cream cheese. Between each layer, sprinkle some peanuts. Continue layering.
Freeze and serve.

(H)IEV (A)CCIAIORE

One can dog food
 1 cup dry dog food
 Cream Cheese
 Peanut Butter

Chicken Stock
 Black Olives
 Shredded Chicken (rabbit can be substituted)

Mix first three ingredients together. Add just enough chicken stock to make it tasty, but still hold together. Put one piece of chicken at small end of Kong; then 1/4" layer of peanut butter, a 1/4" layer of dog food mixture, and a 1/4" layer of cream cheese. Between each layer, spread chicken and olives. Continue layering while interspersing chicken & olives throughout the Kong.
 Freeze and serve.

FOXY FRANKFURTERS

Canned dog food
 1 cup dry dog food
 Peanut Butter

Italian bread, cubed
 Tomatoes, chopped
 Hot dogs, cubed

Mix first two ingredients together.
 Mix tomatoes and bread together. Put a piece of hot dog at the small end of the Kong; then 1/4" layer of peanut butter; then 1/4" layer of dog food mixture; then a layer of tomato mixture. Continue layering until Kong is full.
 Freeze and serve.

HOW...HOW...HOW...LIV' HAM&BURGERS

Canned dog food
 1 cup dry dog food
 Peanut Butter

Cooked potatoes, cubed
 Tomatoes, chopped
 Hamburger, sauteed

Mix first two ingredients together.
 Sauté potatoes in butter until cooked. Add tomatoes and continue cooking until soft.
 Put a piece of hamburger at the small end of the Kong; then 1/4" layer of peanut butter; then 1/4" layer of dog food mixture; then a layer of potato mixture. Continue layering until Kong is full.
 Freeze and serve.

PUTTIN' ON THE RITZ

One can dog food
 1 cup dry dog food
 Peanut butter
 Cream Cheese

3 Ritz Mini Peanut Butter Crackers
 3-1/2" pieces pre-cooked cocktail sausages cut into quarters
 Caviar (optional)

Mix canned dog food & dry food together.
 Put one Ritz cracker at small end of Kong; then a thin layer of peanut butter, a thin layer of dog food mixture, and a thin layer of cream cheese. Between each layer, spread 1/2 teaspoon caviar. Continue layering while interspersing crackers and sausage throughout the Kong.
 Freeze and serve.

PUPPY PASTA

One can dog food
1 cup dry dog food
1 hot dog
1 string cheese
Cream Cheese

Peanut butter
3 pre-cooked Shrimp
3-1/2" pieces pre-cooked sausage
cut into quarters
2 Canned smoked oysters

Cut hot dog and string cheese into quarters lengthwise, then chop into 1/8" pieces.
Mix first four ingredients together. Put one oyster at small end of Kong; then 1/4" layer of peanut butter, a 1/4" layer of dog food mixture, and a 1/4" layer of cream cheese. Continue layering while interspersing shrimp, sausage and oysters throughout the Kong.
Freeze and serve.

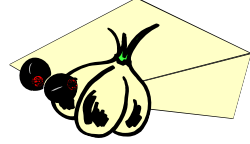

TASTY TARTARE

Canned dog food
1 cup dry dog food
1 raw egg
Peanut Butter

Parsley
Raw beef, ground or cubed
Anchovies (optional—can substitute tuna)

Mix first three ingredients together.
Put a small spoonful of beef mixture at the small end of the Kong; then 1/4" layer of peanut butter; then 1/4" layer of dog food mixture. Continue layering until Kong is full.
Freeze and serve.

POOCHY PASTA

One can dog food
1 cup dry dog food
Peanut butter
Cream Cheese

3 tortellini
2 small Milk Bones
3 pitted black olives
Grated parmesan cheese

Mix first two ingredients together. Put one tortellini at small end of Kong; then 1/4" layer of peanut butter, a 1/4" layer of dog food mixture, and a 1/4" layer of cream cheese. After each layer, sprinkle parmesan cheese. Continue layering while interspersing tortellini, Milk Bones and olives throughout the Kong.
Freeze and serve.

WOOFER'S WELLINGTON

Canned dog food
1 cup dry dog food
Peanut Butter

Bread, cubed
Mushrooms, chopped
Beef, cubed

Mix first two ingredients together.
Sauté mushrooms in butter. Mix bread and mushrooms together.
Put a chunk of beef at the small end of the Kong; then 1/4" layer of peanut butter; then a 1/4" layer of mushroom mixture; then 1/4" layer of dog food mixture. Continue layering until Kong is full.
Freeze and serve.

SPOTTED BROWN BETTY

Canned dog food
 Peanut Butter
 Cinnamon
 Breadcrumbs (can substitute graham cracker crumbs)
 Bananas, chopped

Mix first two ingredients together.

Mix breadcrumbs, bananas and cinnamon together. Put a small spoonful of banana mixture at the small end of the Kong; then 1/4" layer of peanut butter; then 1/4" layer of dog food mixture. Continue layering until Kong is full.
 Freeze and serve.

BOW WOW BOUCHEE

Peanut Butter	Heavy cream
1 cup dry dog food	Brown sugar
Cream Cheese	Bread
1 banana	

Mix first three ingredients together.

Mix together cream and brown sugar. Tear bread into small pieces. Soak bread in the cream mixture until soggy. Cut banana lengthwise into quarters, then into pea-size pieces.

Put a piece of bread at the small end of the Kong; then a layer of dog food; then 1/4" layer of peanut butter mixture. Continue layering, sprinkling some banana pieces and adding some soggy bread pieces between layers.

Freeze and serve.
